

PIEDMONT

Canorei Roero Arneis DOCG

Producer: Tenuta Carretta

About The Wine: Canorei is the name given to some of the oldest Arneis vineyards. Since the relaunch of Tenuta Carretta new vines have been planted, from which we get the grape for this splendid wine.

Grapes: 100% Arneis

Refining: Fermentation takes place in small French oak casks, after which the wine stays in the wood for a period of no less than 3 months. In spring the wine is bottled, and after a few weeks it is ready for consumption.

Tasting Notes: This wine is a deep straw-yellow. The nose has sensations of flowers and fresh fruit. Well structured, soft, harmonious and fruity. Pleasant and persistent.

Food Pairing: Sea-food, crustaceans and first courses, poultry.
