

PIEDMONT

Cayega Roero Arneis DOCG

Producer: Tenuta Carretta

About The Wine: This wine comes from the oldest and most charming white berry of the Roero area. Its name “Arneis” most certainly derives from “Bric Renesio”, a high ground neighboring Tenuta Carretta estate.

Grapes: 100% Arneis

Refining: After alcoholic fermentation this wine remains in contact with its sediment for a short time to increase its complexity, aromatic quality and fullness. As soon as it has clarified, it is bottled, and after just a few weeks the wine is ready for consumption.

Tasting Notes: This wine is a pleasing straw-yellow color with greenish highlights. The aroma is fruity and floral, ample and persistent. The wine is harmonious with a good structure, pleasantly persistent and drinkable.

Food Pairing: Appetizers, seafood, soups, pasta dishes, white meats.
