

**FRIULI**

## **'Colle di Nussi' Pinot Nero**

**Producer:** Ca'Ronesca

**Area of Production:** Collio

**Grapes:** 100% Pinot Nero

**Vinification:** Fermented in temperature-controlled stainless steel tanks and then moved to large oak barrels for about 12 months.

**Tasting Notes:** Deep ruby red with a brilliant red rim. Aromas of red cherries, wild strawberries, raspberries, crimini mushrooms, vanilla, brown spice and Autumn leaves. Silky, but toothsome tannins with cherry-berry flavors framed with earthy mushrooms, sweet vanilla, baking spice and refreshing acidity. Beautifully balanced with a long finish.

**Food Pairing:** Wide range of foods, from herb grilled chicken to Wood-roasted sea bass.
