

PIEDMONT

Moscato D'Asti DOC A Light Sparkling Wine

Producer: Contero

Grapes: 100% Moscato

Production Area: Strevi-Bagnario Valley-Scrapona farm. The vineyard is planted by following the classic Guyot system, on a taffy limestone land.

Wine Making: After soft pressing the juice is fermented until the proper alcohol is achieved (5.5%), and the remaining sugar is left to provide a wonderful balance, to this light sparkler.

Tasting Notes: Yellow brilliant color with persistent exotic fruity bouquet typical of the Moscato grape. The sweetness and acidity are in good balance, harmonious and pleasant with an elegant finish.

Food Pairing: Perfect at the end of a meal and great with fruits and dessert.
