

## Spumante Rose Extra Dry

**Grapes:** 98% Glera grapes from the the high hills - 2% Raboso, a red wine grape typical of the Treviso area.

**Production Method:** Italian method (Martinotti) with secondary fermentation in stainless steel autoclave by means of natural fermentation.

**Alcohol:** 11.5%

**Tasting Notes:** A balanced and fragrant natural sparkling wine. The small percentage of Raboso red grape bestows a pleasant roundness to the after-taste.

**Food Pairing:** Serve as an entrance wine or with any desserts.
