

GRADIS'CIUTTA

FRIULI

Pinot Grigio Collio DOC

Producer: Gradis'Ciutta

Grapes: 100% Pinot Grigio

Area of Production: Ponca

Vinification: Obtained with a soft pressing. Fermentation takes place in temperature controlled stainless steel tanks, which is followed by aging "sur lie" until the wine is bottled.

Tasting Notes: Brilliant straw yellow with reflections tending to a copper color. Delicate and elegant, calling to mind flavors of vegetables, such as tomato leaf; peach and ripe apples. Savory and gentle, it has balance amidst its power, leaving a pleasing, friendly aftertaste that invites another sip.

Food Pairing: As an aperitif, also with an array of antipasti, soups, fish baked in the oven and main courses beginning with white meats. It can also accompany flavorful cheeses.
